STAFFING COSTS

The number of staff required for the booking is to be determined by the Operations Manager - Venues and Technical Director. All necessary technical arrangements of original staff call times must be made at least 30 days in advance of the booked date or as specified in the License Agreement. Shift times and schedules must be reconfirmed with the Technical Director at least one week in advance. ***Activity in the Theatre must be supervised by Myer Horowitz Theatre staff at all times.***

Technical Staff

All technical staff are scheduled on a minimum 4 hour call, with most Performance bookings requiring three technicians (Lighting, Stage and Audio). Overtime rates are charged after 8 scheduled hours, or for any unscheduled time.

A House Manager is required and will be scheduled for the duration of the event. They work as the designate of the Senior Manager of Programming and Venues, and are there as your liaison to the facility and to organize the Front of House staff. Front of House staff (ushers and ticket-takers) will be scheduled based on the expected attendance and nature of the event. Sold-out shows require a minimum of five ushers.

Front of House staff are hired on a three hour minimum call.

A House Manager is included in an External Rental performance, for a maximum of one hour prior to the doors opening until one hour after the event has concluded. Unscheduled overtime will be invoiced.
