

Students' Union Survey 2011

Description: The only assistance we'll need - unless you see obvious errors in structure - is with how questions 16, 17 and 18a - 18d work. Aside from that it should be OK. This survey will be linked to the Safewalk Assessment also being prepared by the Students' Union As with last year, we will need a single question survey at the end so that we can collect one piece of data from each respondent that is completely separate from the survey (so that the two cannot be linked).

Date Created: 11/25/2011 7:53:08 PM
