This application is for a:	DIE Board Hearing
Reason	<p>This application is for a reference question regarding Bylaw 6100. The current requirement to review a DFU states that the plebiscite question shall be drafted in the same manner as the original petition question, as outlined in Section 3.5 of this bylaw and approved by council. In the instance that a DFU plebiscite question has already been approved, is it possible to amend the approved question even if it is past the ratification date? More specifically, is it possible to ammend the initally approved rate that the fee is currently assesed at for a specifc semster in order to align with its current realities.</p>
