Vacancy Process

Vacancy petitions fill vacant seats on Students' Council and General Faculties Council. The petition process is explained in [Regulation 110.06: Students' Council and GFC Replenishment](#). When there are more petitions than vacancies, the petitions with the most student signatures are successful.

Petitions Received

Vacancy petitions for the two empty Science seats on Students' Council were received from April 5th to April 12th. Three complete petitions were filed.

VACANCY PETITION	NAME	STUDENT SIGNATURES
Petition A	Matin Koohkan	16
Petition B	Raiyan Abdulrub	87
Petition C	Jana Sharaby	117

Interpretation Request

Because there were multiple possible ways to read part of Regulation 110.06, the CRO filed an interpretation request with the DIE Board. The DIE Board confirmed that all three petitions were valid in [Ruling 2023-07-R](#).

Result

Raiyan Abdulrub and Jana Sharaby will fill the two vacant Science seats on the 2024-25 Students' Council until the Fall By-Election.
