

GOLD KEY RECOGNITION AWARD APPLICATION

The Students' Union Gold Key Society was created by Students' Union President and future Chancellor Tevie Miller in 1950 to recognize the best on campus - those who contributed the most to making the University of Alberta a better place through their outstanding work in extracurricular activities. The Society is open to all members of the University community. Gold Key membership recognizes outstanding work in student government, volunteer activities, student organizations, student services and community service. Applicants will be evaluated based on their campus involvement, community involvement, depth of involvement, and diversity of involvement. The Gold Key Selection Committee will interview short-listed candidates before a final decision is made. There is no monetary reward for this recognition.
