NOTE: It is important that all candidates and their campaign managers read Students' Union Elections Bylaws, and make all campaign volunteers aware of the election rules. This document is intended to supplement bylaw, but does not replace it. In the event of a discrepancy, Students' Union bylaw takes precedence.

1. Nominations

1.1 Acceptance of Nominations

Acceptance of a nomination by the CRO does not guarantee the candidate is eligible to run. Candidates must have paid Students' Union fees and must not have any debts owing to the Students' Union at the time of nomination. A candidate's nomination may also be revoked if they fail to accumulate the designated amount of valid nomination signatures by the submission deadline. If the candidate is later determined to be ineligible, he or she will be disqualified.

1.2 Joke Candidates

Candidates, who run under a name that is not their given name, or a reasonable derivation of their given name, will be designated joke candidates. Joke candidates are not eligible to take office if elected and have a lower campaign budget. In the event that a Joke candidate wins a seat, the seat will be declared vacant.

1.3 Candidates Meeting

A mandatory Candidates Meeting will be held **Monday, September 17 @ 18:00** in SUB 3-06, as noted in the election timeline. Candidates who fail to attend the meeting in its entirety (or fail to designate a proxy, in writing, to attend in their place) will be disqualified.

1.4 Reporting of Keys

All candidates and official campaign managers are required to report to the CRO any keys, cards, and other means of access they possess to any building or room on campus. Candidates who fail to report these items within 24 hours of the nomination deadline will be disqualified.

2. General Campaign Rules

2.1 Pre-campaigning

Candidates and volunteers may not engage in any campaign activities between the close of nominations and the beginning of the campaign period – Between **Monday, September 17 @ 17:00 and Wednesday, September 19 @ 09:00**.

2.2 Volunteers

Volunteers (anyone who assists in any campaign activity) are bound by the same rules as candidates. It is the candidate's responsibility to inform his or her volunteers of election rules.

Candidates are responsible for the actions of their volunteers and may be subject to penalties as a result of their volunteers' conduct.

2.3 Permitted Access

Campaigning is not permitted in the following areas without the permission of the CRO:

- 1) Any business or service operated by the Students' Union, including RATT, Dewey's, SU Infolink Booths and any SU Service;
- 2) Any University library, administration building, or office;
- 3) In any classroom during a class, without permission of the instructor;
- 4) In any residence, including all University-owned residences (including the residential areas of HUB), St. Joseph's College, Augustana residences, and fraternity/sorority houses leased from the University;
- 5) In any building or on any land not owned or operated by the University or the Students' Union, including LRT stations;
- 6) Any University parking lot.

2.4 Budget Limits

Bylaw 2300, Section 34 establishes the following budget limits:

Faculty	Population	Budget Limit
Agricultural, Life & Environmental Sciences	1,467	\$30.00
Arts	5,725	\$46.35
Education	3091	\$30.55
Engineering	3779	\$34.67
Law	522	\$30.00
Medicine & Dentistry	1155	\$30.00
Nursing	1244	\$30.00
Open Studies	1101	\$30.00
Physical Education & Recreation	974	\$30.00
Faculté Saint-Jean	502	\$30.00
Science	6234	\$49.40

Candidates who exceed these budget limits will be disqualified. It is important to note that GST is **NOT** included in these budget limits. Candidates are responsible for keeping a separate record of applicable taxes, for which the candidate will be reimbursed (along with the non-tax expenses) at the end of the election.

For those candidates running for a position on both Students' Council and General Faculties Council, separate expense forms must be submitted. Any materials used for both campaigns must be recorded on each of the expense forms, and will be counted toward both campaign expense limits.

Excessive or unreasonable expenses will not be permitted. Candidates should seek advance approval from the CRO if there is any doubt about expenses.

2.5 Expense Reporting

Candidates **must** submit a detailed expense report, even if they spend no money, using the Expense Allowance Form available online and from the Elections Office. The report must be submitted, with all receipts included, no later than **Tuesday, September 25 @ 13:00** as specified on the election timeline.

2.6 Donations

All donations to a campaign will be assessed fair market value by the CRO and accordingly deducted from a campaign's total allowable expenses. This does not include general volunteer labour and expertise held by a significant portion of the population, such as web page and poster design. If you are at all in doubt about a fair market value, it is recommended that you consult the CRO beforehand.

2.7 Collusion

Candidates are free to endorse each other, but are prohibited from acting as a volunteer for any other candidate. Candidates are also prohibited from sharing resources (i.e.: tables, posters, banners, budgets, etc.), other than universal materials, with any other candidate. Volunteers, however, may volunteer for more than one campaign.

2.8 Student Group Interaction

Candidates will be prohibited from actively participating in student group or student service events during the campaign period (in their role as a candidate). Candidates are distinct entities from student groups and should not use any influence they hold with a student group to gain an undue advantage.

This does not mean that you cannot attend student group events or talk to student group executives in your capacity as a student or as a candidate.

If a candidate is approached by a student group or service to partake in a forum or an event, this will be permitted so long as each candidate in that race receives at least 24 hours notification of the forum or event and will be afforded an equal chance to speak at it or participate in it.

3. Campaign Materials & Advertising

3.1 Material Approval

All campaign materials must be approved by the CRO prior to use. All copies of campaign materials must also be checked, counted and marked by election staff prior to being distributed. Materials will be approved on a first-come, first-served basis with a maximum 24-hour turn-around time.

3.2 Identification of Printed Materials

All campaign materials **must** include the name of where the item was produced – either the name of the external printer, or SUBprint. All posters must also include the supplied Elections Office online voting notice. It is the responsibility of each candidate to ensure that this identification is present on the material before it is sent to the printer. Failure to include proper identification may result in the removal of these campaign materials.

3.3 Posters and Banners

There are no limits to the total number of posters, but no candidate may place more than ten (10) posters in any single building (atriums are considered half buildings with a limit of five (5) per atrium), and no more than one (1) banner on display in any building. Banners are greater than four (4) square feet in area, and posters are less than four (4) square feet. The maximum size for banners shall be eight (8) feet by sixteen (16) feet, as per University guidelines

Banners **must** be coated with a fire retardant spray and have a fireproofing receipt attached prior to being displayed. Both are available to candidates at no charge from the Elections Office.

Candidates should be careful not to apply tape to surfaces that are easily damaged. Most buildings permit candidates to place posters on any brick or concrete wall. Several buildings, including Van Vliet (Phys. Ed.), Education, Business, CCIS, ECHA, and Engineering have more restrictive regulations regarding poster approval and placement. Posters that are placed in violation of building rules will be removed without compensation, and a fine may also be imposed.

3.4 Outdoor Sign Placement

Each candidate has a maximum of fifteen (15) outdoor signs. The minimum distance between signs placed outdoors shall be ten (10) feet in all directions.

3.5 Video Policy

Candidates are allowed to post videos on Youtube, your campaign website, or on your Facebook page. Please inform the CRO of any other platform you might wish to use, these will be evaluated on a case-by-case basis and made available for all candidates or sides.

Please adhere to the following steps:

- 1) Fill out the online materials submission form with a description or storyboard of what your video will showcase. Include in the comments section how long the video will run.
- 2) Once you have received approval from the CRO, proceed with the filming of your video.
- 3) Video production will be considered to have a fair market value of zero, unless excessive costs are incurred, or a professional service is used in production. Please consult the CRO if you have any questions.
- 4) Upon completing the video, please submit to the CRO in its finished form for final approval.

3.6 Leaflets and Handouts

Candidates are permitted to place leaflets or handouts in bulk on any of their campaign tables for distribution. Candidates are also permitted to hand out these items to individuals, except in locations that have solicitation policies, including the Students' Union Building. Candidates should not be leaving leaflets on vacant tables, on the floor, or anywhere else in which they would be left unattended. Any items distributed inappropriately will be removed without compensation, and a fine may also be imposed.

3.7 Universal Materials

Universal materials include those materials for which no cost will be incurred against the candidate's budget. Such materials may be supplied by the Elections Office and include banner paper, masking tape, packing tape, elastic bands, tacks, basic paint(s), chloroplast signs, and banner fire retardant spray. These materials are property of the Elections Office and are for campaign purposes only. Any personal use or other inappropriate use of Elections Office material may result in penalty.

As universal materials, they will be a personal expense and not counted towards your campaign budget.

Use of computers and other mobile devices for the purpose of campaign delivery (not content creation) during the campaign period will not be considered a universal material. Each device will be assessed a fair market value of \$10.00 per day (or portion thereof) during the campaign period.

3.8 Students' Union as a Primary Vendor

When campaign materials can be produced by a business operated by the Students' Union, candidates must purchase those materials from that business.

3.9 Photocopying

All photocopying must be done at SUBprint, located on the lower level of SUB.

3.10 External Printers

The following printers are the approved external printers:

AICT	Phone: (780) 492-9400
302 GSB	
McCallum Printing Group	Phone: (780) 492-9491
2-50 Cameron Library	

Please contact the CRO prior to using any of these printers, to obtain an SU Purchase Order form. If none of these printers can supply a desired item, candidates may apply to the CRO for an alternate printer to be used.

3.11 Tables

Candidates are free to book tables on campus outside of the Elections Office, but must book them on their own. The Elections Office will not be providing tables for candidates. Candidates are cautioned against using any influence they may have with a campus group to book tables.

3.12 Classroom Speaking

Candidates **must** have the permission of the instructor before speaking in any classroom during a class.

3.13 Elections Forums

There are no officially organized forums for this by-election. Any candidate who wishes to participate in forums not organized by the Elections Office must provide notification to each candidate in his or her race at least 24 hours beforehand to allow them an equal opportunity to attend.

3.14 Campus Media – Gateway and CSJR

Candidates may advertise with the Gateway and will receive 50% off the regular ad prices; however, ads must run during the campaign. As with all campaign materials, the CRO must approve Gateway ads. Content and graphics must be submitted to the CRO for approval at least eight (8) days prior to the run date of the advertisement.

CJSR may have airtime available as paid political announcements. Again, the CRO must approve all ads before they are broadcast.

3.15 External Media

Candidates are free to speak to campus-based media, however all external media (e.g. Edmonton Journal, CTV, etc.) must be directed through the Elections Office. Candidates may speak to external media only after obtaining permission from the CRO. Requests will be evaluated on a case-by-case basis.

3.16 Elections Website Supplement

A brief biography/platform statement (maximum 250 words) and photograph (maximum 200x200 pixels) from each candidate can be posted on the SU Elections website. Candidates should be

prepared to hand in their submissions immediately following the Candidates Meeting.

3.17 Internet and Email Policy

The content of candidate websites should be provided to the CRO for review prior to being made publicly available (submit a material approval request and provide the private web address (with password) that the website can be viewed at.) Candidates are reminded that websites must not go public until the start of campaigning, and must be taken offline before the end of campaigning.

“Mass emails” to unofficial groups (e.g. lists of your friends from your personal address book) are not permitted. It is permissible, however, to send mass emails to anyone already acting as your campaign volunteer. Emails to official University and student group mailing lists (list-servs) will be considered, given that the following procedures are adhered to:

1. Candidates who wish to send an email must contact the administrator of the mailing list, requesting permission to send the campaign message.
2. If approval is granted, the candidate must forward a copy of this approval to the CRO, who will then send a message to all candidates in that particular race, including the candidate that initiated the request.
3. Each candidate will have 24 hours to submit to the CRO a campaign message no longer than 250 words.
4. The CRO will then send an email containing all campaign messages to the mailing list. Under no circumstances are individual candidates permitted to send a campaign message directly to any mailing lists.

The use of forums, webboards, or any other similar Internet-based mediums for the purposes of campaigning is prohibited without the express permission of the CRO. Requests will be evaluated on a case-by-case basis.

Remember that, just like on campus, candidates are responsible for any inappropriate campaigning by their volunteers on the internet. The CRO reserves the right to revoke any candidate's right to use Internet-based mediums as a campaign tool, if it is determined that the above regulations have not been followed. Further penalties may also be assessed.

3.18 Social Media Policy – Facebook, Twitter, etc.

Facebook, Twitter, etc. may only be used for campaign purposes within the campaign period. Like physical materials, campaign materials used on Facebook, etc. must be approved by the CRO before being made public. Consequently, we ask that you adhere to the following procedures:

1. Candidates who wish to create a group or fan page must add the CRO as a friend and appoint them as an administrator of any elections-related page. Any candidates posting updates on Twitter must also inform the CRO of such, and will be followed by the CRO.
2. Discussion boards and "wall posts" will be monitored by the Elections Office, and posts deemed inappropriate may be removed.

3.19 Material Removal

All physical campaign materials on-campus must be removed prior to the conclusion of voting. Candidates and volunteers will meet shortly before the end of voting to coordinate poster removal. The CRO will announce the time and location of a mass poster removal at the Candidates Meeting.

4. Voting & Ballot Counting

4.1 Campaigning

Absolutely no campaigning is permitted during the pre-campaigning period. No campaigning or campaign materials are permitted within six (6) metres of any official polling station. Candidates should not loiter around any official polling station on campus, except when voting themselves.

4.2 Ballot Counting and Scrutineers

Online ballot counting will take place on the second day of voting, and will continue until all ballots have been counted. Candidates are encouraged to designate scrutineers to monitor voting, by completing the Scrutineer Appointment Form, available online and from the Elections Office. Scrutineers must not divulge the results of the count until they have been officially announced by the CRO.

4.3 Results

Unofficial election results may be released by the CRO at any time during the counting process. Results will be announced following the conclusion of voting. Official results will be submitted to Students' Council at the next meeting following the election.

5. Amendment of Regulations

Any changes, clarifications or additions to these rules will be announced at the Candidates Meeting and/or emailed to all candidates and official campaign managers.
