

Stephen Raitz

SU Arts Councillor

Hihihihihii! I'm Stephen, a fifth year Urban Planning student in the Faculty of Arts. I have been involved on campus for four years within student groups, department associations, and residence. Now I am one of your six Arts Councillors! I'm here to be here (i.e listen to your experiences and advocate within the Students' Union on your behalf).

Fun facts about me

- I host Karaoke on Wednesday nights at RATT in SUB!
- I cycle year round and love running in the river valley!

Here's the briefest breakdown of my platform (full version here - <https://goo.gl/yxb56R>)

- ★ Governance is FUN - communicate with Arts' Students in creative and unique ways
