SUB 6-06

We would like to respectfully acknowledge that our University and our Students' Union are located on Treaty 6 Territory.

We are grateful to be on Cree, Dene, Saulteaux, Métis, Blackfoot, and Nakota Sioux territory; specifically the ancestral space of the Papaschase Cree. These Nations are our family, friends, faculty, staff, students, and peers. As members of the

University of Alberta Students' Union we honour the nation-to-nation treaty relationship. We aspire for our learning, research, teaching, and governance to acknowledge and work towards the decolonization of Indigenous knowledges and traditions.

2017-15/4a Students' Council Office Poster

JONES: Proposed a Students' Council poster be purchased for the sixth floor Students' Council Room office window. Suggested \$10 in order to print the poster.

SUNDAY: Suggested the traffic on the sixth floor of Students' Union Building is insufficient to warrant the placement of a poster. Suggested another location be determined.

JONES: Responded that many persons study on the sixth floor.

THIBAUDEAU: Suggested the SUB Stage area as a better location for a Students' Council poster.

SUNDAY: Proposed posters be placed in Campus of Augustana and St. Jean in order to establish the presence of Students' Council.

ANDERSON: Noted a poster may be placed on the board near the Augustana Students' Association Office.

SUNDAY: Requested a CAC member to volunteer to find the specific locations at which to add posters and return to next meeting with a motion.

SCOTT: Inquired into whether the poster ought to include information about the role and members of Students' Council.

FLAMAN: Proposed a poster similar to the one in main-floor Students' Union Building should be placed elsewhere.

THIBAUDEAU: Proposed InfoLink stations could serve as sites for Students' Council posters.

FLAMAN: Suggested Students' Council pamphlets be made available at InfoLink stations.

SUNDAY: Noted VP Paches is undertaking a redesign of the pamphlets. Supported issuing pamphlets from InfoLink stations.

THIBAudeau: Requested CAC allot portions of the budget for pamphlets in years forthcoming.

SCOTT: Noted InfoLink stations predominantly exist in buildings outside of the Students' Union control. Described the potential difficulty of adding permanent posters where most groups use temporary spaces.

FLAMAN: Suggested the top, high portion of the board be used for the permanent posters. Suggested Cllrs. Anderson and Howie arrange the poster dispersal on their campuses.

SUNDAY: Volunteered to investigate spaces for North Campus poster placement.

2017-15/4b Students' Council Facebook Page Policy
See CAC 2017-15.02

SUNDAY: Opened that Discover Governance, Cllr. Jones, and himself created a policy for Facebook page posting and content review. Requested councillors provide feedback.

SCOTT: Inquired into the process for a post coming from the page administrator, rather than an individual's account.

SUNDAY: Noted councillors would submit a post to the page administrator for review and posting. Noted anyone may post on the community section of the page.

FLAMAN: Suggested all councillors be enabled to post content through Students' Council page itself.

CHRISTENSEN: Suggested the system for post approval is overly rigorous. Expressed faith in the professionalism and benevolence of councillors. Proposed all councillors be granted posting rights.

FLAMAN: Emphasised that the policy may discourage councillors from posting content and decrease page utilisation.

JONES: Suggested the guidelines should determine the nature of the content permitted to be posted and not the manner in which it is posted.

CHRISTENSEN: Suggested administrators review the posts to determine whose permissions are to be revoked rather than moderating who receives posting

permissions.

SCOTT: Inquired into if, on a page with multiple contributors, it is possible to track which post comes from whom.

CHRISTENSEN: Responded that it is possible to determine the originator of a post.

SUNDAY: Declared the policy grant posting privileges to all councillors with administrative oversight.

JONES: Noted the widespread involvement of councillors will drive student engagement.

SCOTT: Inquired into the nature of the content permitted on the page.

THIBAUDEAU: Indicated that current bylaws prohibit the posting of “any content which [go] against the stated purpose of the UofA SU Strategic Plan and legislation” §3.2.H.

SCOTT: Determined to investigate the inclusion of political policy, which applies to Executive and Faculty Associations, as being part of the ‘legislation’ in the posting policy.
