We would like to respectfully acknowledge that our University and our Students' Union are located on Treaty 6 Territory. We are grateful to be on Cree, Dene, Saulteaux, Métis, Blackfoot, and Nakota Sioux territory; specifically the ancestral space of the Papaschase Cree. These Nations are our family, friends, faculty, staff, students, and peers. As members of the University of Alberta Students' Union we honour the nation-to-nation treaty relationship. We aspire for our learning, research, teaching, and governance to acknowledge and work towards the decolonization of Indigenous knowledges and traditions.

SIVAKUMARAN: Further questions if the mentors and mentees have been assigned to one another.

VILLOSO: States that the mentor/mentee pairings have already been created and will be announced before the mixer. Pairings were assigned based on committee interest. The committees with the most interest were the Sustainability Committee and the ARRC Committee.

VILLOSO: Questions if anybody has any ideas in regards to the mixer.

DE GRANO: Suggests utilizing Bingo for the mixer.

DIXON: Proposes the idea of speed friending.

VILLOSO: Suggests that speed friending is exhausting and hard to plan.

SIVAKUMARAN: Suggests the most important aspect of the mixer is ensuring that mentors and mentees get to know one another.

VILLOSO: Questions if an escape room would make for a good online event.
