

DIE Board Hearing Application 2022/2023

Please note that this information will all be public.

If necessary, the Students' Union DIE Board Registrar may contact you to confirm that you are a student.

Name Christian Zukowski

E-mail speaker@su.ualberta.ca

Phone Number (587) 988-8914

This application is for a: DIE Board Hearing

Reason for Application

Describe the specific violation of a bylaw or rule, your specific interpretation question, or the specific errors made by the DIE Board or the CRO. If you want the Board to issue some kind of order, explain what you think the Board should do. You may also attach additional written submissions or supporting documents at the end of this form.

Reason

This application intends to initiate an complaint about a contravention of Bylaw 100 (per Bylaw 1500, section 3(1)(a)). The Applicant's submissions may be found in the attacked pdf document.

Please note that the submissions contain details of the Respondent's basic academic information (ie faculty of enrolment). The Respondent may consider this information to be private.

Proposed Respondent(s)

List the individual(s) alleged to have infringed a rule or who are otherwise adversely involved in interest to your application. If you are appealing a CRO Ruling, list the CRO and any candidates involved.

Proposed Respondent

Haruun Ali

Anticipated Witnesses

List other individuals involved in the case who can contribute to the Hearing, if any.

Anticipated Witness

Matin Koohkan, UASU Chief Returning Officer

Signature

C. Zukowski

Attach File

Although not required, you may attach additional written submissions or supporting documents for the Board to consider, including any relevant facts, a copy of any Students' Union legislation or rules relevant to your arguments, and your position on the matters in issue. These submissions will help the Board understand the nature of your complaint or request for interpretation. The Board may rule against you if you do not provide sufficient reasons for your application.

Please submit as a single document.

If you're unsure of how to combine multiple separate documents, you can save all documents as a PDF and use [PDF Merge](#).
