The administrative team at the Students' Union would like to make a correction to Vice President Steve Smith's Report. Please do not be fooled, the Executive Soccer Team lost to the Admin. Team...and they lost bad. Yes, they were outnumbered, although the numbers were more like 12 to 7 (NOT 25-5). The final score: 5-3 for the Admin. Team. And 3 goals for the Exec. is flattering considering most were scored using methods that would be considered illegal in most civilized countries. They are threatening to create a bylaw aimed at silencing us.
