Councilors who submitted their names for parking permits prior to May 26, 2003 are asked to pick up their permits from the recording secretary. Please ensure that you get the correct permit (with your name on the post-it note). Councilors who submitted their names after May 26, 2003 will have their permits shortly.

Report to Council – V.002 (May 27th)

Oh...report, to me council! One time! Twice times! (sbemail74)

Hello Council! What's shakin'? Well, though I was away, I still have muchos materiales to report on, so let's get started:

Bill 43 Press Conference!! – May 14th – Wow...my first press conference. CAUS spoke on the issue of Student Organizations autonomy, and it went smashingly well. We had a bit of TV coverage, as well as an article in the Journal. Huzzpah!

Alberta Federation of Labor! – May 14th – Met with Scott Harris from AFL...look forward to building coalitions with that group, among others

EAB Meeting! WoWza! – May 14th – Got a chance to get together and talk w/ EAB ...the board is strong and knowledgeable, and things will be great this year. Promise.

ACTISEC + CAUS = Together at last – May 15th – Met w/ Brett Bergie (ACTISEC provincial director) Nathan Mison (Grant MacEwen SU President + ACTISEC Policy Chair) as well as Shirley Barg (CAUS Chair) about strengthening our bonds...excellent meeting. The idea (nothing formal) was raised about CAUS + ACTISEC sharing an office.

Vegreville Bound – May 23rd – Had briefing meetings leading up to the event, I was unable to attend due to being in Halifax. The event was excellent...our delegates were Kimberly Williams, Terra Melnyk, Charlie Beamish and Christine McCourt. Wicked.

CCSA – May 21st – 26th – Excellent conference. I have a lot of positive things to say, as well as a lot of negative things to say. I'll be giving Council a more in-depth report in the near future, but suffice it to say, that Bill 43 was a nationally hot topic, and we had several meetings surrounding that issue. Council will be well informed on the issue!

Chancellors' Cup – May 26th – The event was held yesterday, and it went quite well. The Graduate Students' Association won the "best hole" award for the tournament, but we had a strong showing at the hole. It was positive to get the Students' Unions' name out into the community, and educate some people about what it is we do. Also, I met fancy people!

Lunch w/ Rod Fraser – May 27th – Just returned from a lunch w/ Dr. Fraser. It was held in the Lister Hall Cafeteria at our request. It was a good lunch, but we didn't really get a chance to talk about any of our concrete issues, so we'll be scheduling another lunch soon.

Upcoming Events:

May 29th – Meeting w/ Alberta Learning re: Bill 43 (Post Secondary Learning Act)

May 30th @ 5:30pm – Second EAB meeting! All welcome, as usual.

June 1st – Education "block party" at McKernan school

June 2nd – Edmonton Planning session @ 7:00pm @ City Council

June 9th – High School Speaking @ Eastglen

November 28th – HSLC!!!
