- 2006-24/6d **KEHOE/POWER MOVE THAT** Students' Council adopt a Political Policy based on the following principles:

The Students' Union shall advocate to the University for:
-the preservation and enhancement of naturalized green space on campus,

- increased programs of recycling and waste reduction on campus,
- a commitment to minimize energy consumption and to maximize energy efficiency through viable alternatives, thereby lowering utilities expenses and reducing pollutant emissions,
- the adherence to environmental standards in the construction of new facilities and eventually in the modification of current facilities,
- the development of innovative solutions through the new School for Energy and the Environment,
- the implementation of a comprehensive environmental management strategy, and
- a strong commitment in making environmental sustainability a priority.

2006-24/6e

ERUVBETINE MOVED THAT Students' Council adopt a Political Policy based on the following principles:

The University of Alberta Students' Union shall:

1. Take the Lead in representing all International Students on discussions relating to the International Differential
2. Use the International Center as a resource to access information regarding and communicate with International Students
3. Not support an increase in International Differential
4. Lobby the University for the reduction of the International Differential to a level that:
 - a. Does not exploit International Students by making them cover costs outside of the purpose of the differential
 - b. Makes the University of Alberta competitive in recruiting and retaining International Students based on academic quality, community involvement and the overall diversity they bring to our University
