Re: Report to Council

Dear council,

I have now returned to my old stomping ground as Vice President (Operations & Finance). I am looking forward to working with all of you to improve both how and what the Students' Union provides for students at the University of Alberta.

We returned from executive retreat earlier today and have discussed informally our goals for the year. We will be assembling this in a more formal manner for your perusal.

Please feel free to ask any questions you have at this time and throughout the year. I look forward to serving with you.

Cheers,

Zach

Hi everyone,

I unfortunately have to resign from my position as a science councillor for the SU due to conflicting schedules. I would like to express my sincere apologies to the council for leaving so early in the term. It has been a pleasure to serve with all of you in the first few weeks of council and I am confident that this years council will exceed all expectations.

Sincerely,

Deep Brar
