We would like to acknowledge that our University and our Students' Union are located on Treaty 6 Territory. We are grateful to be on Cree, Saulteaux, Métis, Blackfoot, and Nakota Sioux territory; specifically the ancestral space of the Papaschase Cree. These Nations are our family, friends, faculty, staff, students, and peers. As members of the University of Alberta Students' Union we honour the nation-to-nation treaty relationship. We aspire for our learning, research, teaching, and governance to acknowledge continuing colonial violence and respect Indigenous knowledges and traditions.

Re: VPA Report

Hi Council,

Short report this time since it's a short reporting period.

I had a fun time doing a job shadow day on January 30th! I thought it was really fun to just chat about my job and try to answer questions about the intricacies of what I'm currently working on. SU 101 also went well, DG and I both hope that it can be an annual event that grows each year.

GFC on Monday was also pretty interesting. The new enrolment management plan passed, which is alright. There was a really interesting question about the timing of GFC that was raised on the GFC Student Caucus FB chat, which then turned into a question that I asked and seemed to gain traction. I also asked about whatever happened to the 'Morck' Report, which is the product of something very similar to our own Governance Review Task Force. It appears to have been put on hold for now, but I'm hoping that GFC can have a look at the document. Also, shout out to Erik Florizone, the first(?) year that asked the most talked about question at the meeting. I had university admin mentioning it to me for days afterwards.

My apologies for missing the last Council meeting, I was at an appreciation dinner for the Presidential Search Committee. Both the chair of the Board of Governors and the President-Elect were in attendance. There was meaningful conversation around quality of education and I feel like it was a productive use of my time.

Another cool thing that I am doing this week and next is getting undergraduates involved in the Festival of Teaching through the making of student voices videos and sticky note poster-boards. Next week on Tuesday I will be on the PAW Social Street from 11-1, and then on Wednesday I will be in ECHA from 11-1.

We have now chosen a winner of the CTL/SU Award for Innovation in Academic Materials, I won't publish it here, because I still want to email them and confirm that they accept the award. Thanks to Jamie, Dongwoo, Dylan, and Robyn for helping me out with that.

Finally, I am pleased to report that FAUnA is doing great! I really see them pulling together as an organization and it's really exciting to watch.

All the best, Kathryn Orydzuk
