Council Chambers, University Hall

We would like to acknowledge that our University and our Students' Union are located on Treaty 6 Territory. We are grateful to be on Cree, Saulteaux, Métis, Blackfoot, and Nakota Sioux territory; specifically the ancestral space of the Papaschase Cree. These Nations are our family, friends, faculty, staff, students, and peers. As members of the University of Alberta Students' Union we honour the nation-to-nation treaty relationship. We aspire for our learning, research, teaching, and governance to acknowledge continuing colonial violence and respect Indigenous knowledges and traditions.

2015-18/8c PATRICK MOVES TO, upon recommendation of Bylaw Committee, approve Bill 16: Dual Student Candidates for SU Council in first reading based on the following first principles:

- 1) Some programs have requirements that take students off campus for entire semesters at a time, and this can prove to be a substantial barrier to participation in student governance
- 2) When students are overly impeded from participating in governance because of their program, a lack of representation from that program is created
- 3) In order to best represent students, opportunities on Students Council must be available to as many students as possible
- 4) Elections could be structured to allow two individuals to run for a single position where they would hold the official title of the position one at a time, and switch the holder on a date defined before the election
- 5) Two individuals running or holding a position in such a manner will be referred to as a slate for the purpose of these principles, though a different term will be the official term used in bylaw
- 6) Slates will be tested in the coming year for students' council elections (not including executive elections), and may be subject to particular additional rules around elections and campaigning
- 7) The programs that allow their students to run in slates will be chosen based on how accessible being part of students council currently is for the students, and how effective slates would be in making it more accessible

- 3) Administration of the Access Fund has been transferred to the Registrar's Office, with Finance Committee retaining the right to oversee regulation of the fund.
- 4) The process for administering the SU Awards program is laid out in Finance Committee Standing Orders, and does not need to be repeated in Bylaw.

Re: February 2, 2016 Report

Board Meetings

The Board of Governors have been relatively quiet as there hasn't been a meeting for over a month. The next scheduled meeting isn't until February 23rd and that would be a subcommittee meeting for BSHEC (Safety, Health, and Environment). I suspect that the rest of my term will be dealing with matters that aren't contentious towards students.

It is worth noting that it appears that non-elected members of the Board appointed by the previous PC government are not being renewed their terms. It appears the Board composition is going to look very different for the new term as several of the terms will be expiring later this year. I thought it was an interesting choice for the NDP government to simply let the terms of the current PC appointees run as opposed to ending the terms early.

BoG Rep Job Shadowing

If anyone is interested in running for the BoG Rep position in the upcoming month, feel free to contact me at arkhan@ualberta.ca. I will make time for a coffee or lunch for anyone who expresses interest in meeting with me!

Re: VPA Report 17

Dear Council,

This Council meeting signals the end of January, meaning there's only three months left for our terms this year. If you're still curious about running for an Executive position, my job shadow day will be on February 4th from 9:30 am – 4 pm, and there's definitely space for people to tag along.

Here is a report on my duties to date:

1. University Institutional Strategic Plan (ISP)

Currently, the University is synthesizing all 400 (!) pages of feedback it has received so far on the ISP into a rough document for the entire campus community to review. I'm hopeful this will be circulated prior to Reading Week.

At our most recent meeting, we presented our findings on sustainability as well as promoting interdisciplinary work, which our current Faculty Evaluation methods do not foster. We also took a look at where there may be gaps in the plan, alongside potential values or principles for the final document. Lastly, we took a look at a potential structure for the ISP and next steps for February.

2. Quality Instruction, Festival of Teaching, and Teaching Tenure Stream

There's been some big movement on both of these fronts for me: the Faculty of Medicine and Dentistry is running their own Festival of Teaching spotlight event in late April after finals to showcase excellent instructors within their Faculty. FGSR will be involved in the event in some capacity. I was hoping to have closer to three or four Faculties running FoT, but this is allowing me to focus my events on running the event well with two Faculties.

On the teaching stream, the Committee on the Learning Environment set investigating a teaching tenure stream as one of the large priorities for the committee to address moving forward, which I am very glad to see (seeing how it took the majority of my year!!!). For roughly the next six – eight months, a subcommittee will examine what impact on the learning environment and on quality instruction a teaching stream has for the U of A, and then likely present it to GFC for consideration when a stream is implemented.

3. University Standing Committees

The Centre for Teaching and Learning Advisory Committee was one standing committee that met over the past two weeks, though it was a very productive meeting. It features all of the Associate Deans (Undergraduate) across campus, and a lot of good feedback around teaching and learning was given. In particular, we discussed universal standards for classrooms (such as Powerpoint projectors or whiteboards), MOOCs, eCampus Alberta as well as eUSRIs.

In particular, we were looking at how receptive instructors would be to a more standardized administration of eUSRIs to avoid lower student response rates, because both students and instructors benefit from higher response rates and more feedback on instruction.

The Museums Policy Committee also met, and they were listening intently to the ISP planning process. In particular, they believe they have a role to play in responding to the TRC and community engagement. Students' Library Advisory Committee also met, where we discussed the reserve room for borrowing textbooks as well as Open Education Week March 7th – 11th.

Lastly, the Chancellor Search committee has been active, and is currently receiving applications for a new University Chancellor.

4. General Faculties Council: CLE, ASC, GFC

In addition to a teaching tenure stream, the other two priorities for the Committee on the Learning Environment this year are looking at universal standards for all classrooms and multi-faceted evaluation of instructors, including peer-to-peer evaluations.

The Academic Standards Committee approved a new program for in ALES and Business, revised American High School entrance requirements, and received the annual report on enrolment from the Registrar's Office.

General Faculties Council primarily had a discussion around academic governance at the U of A, which was a very lively discussion. The conversation started with GFC not being particularly mandatory or relevant for members, as reflected in 71 of 158 members of GFC actually being present at the meeting. The meeting time of GFC was also brought up and not dismissed this time, which makes me hopeful they will consider a change. Councilor Christensen had a great idea in only changing one meeting time as a trial to see if it would be more effective.

The conversation then moved to having a list of all delegations done by GFC to its standing committees. The 2013 Report on Academic Governance at the U of A by the SU was looked at more favorably than the one the previous U of A President put forward, as the SU report got at the tensions behind achieving engaging and meaningful conversations back into governance. I believe that GFC Executive will find a way to review all the work that's been done and then propose a rough plan to GFC on moving forward.

5. COFA: LSA, PERCS, Bylaw 8100 Change

I met with the Law Students' Association President, and things seem to be going well in their Faculty. I'm also impressed with how they've handled student mental health this year: a committee of the LSA was created and tasked with running programs, and rather quickly the committee became strong enough to work independently. That committee now operates as a student group for law students. I believe other Faculty Associations can draw some similar tactics on supporting mental health in their faculties like this.

I also met with the PERCS VP Academic, who started their term early December as PERCS has a different elections cycle than the SU. PERCS has a lot of great initiatives planned this year, from anxiety management workshops to research involvement sessions and a career fair with CAPS.

Finally, Governor Khan and Councilor Christensen have been working on a new change to Bylaw that impacts an FA's ability to advocate in opposition SU political policy. I'm glad that nothing has been finalized but we're still discussing how the Bylaw can best fit everyone's concerns. The most recent edition of the changes that were modified at Bylaw are coming to COFA Senior Board for discussion this week.

6. Transition

My first job shadow day went really well, and I'm glad that the three members who attended found the day insightful and became a bit more passionate about the issues and items our SU pursues on a day to day basis. I've got three people signed up for my next job shadow day on Thursday, February 4th so far.

7. Miscellany

Campus Saint Jean had a great event over at the Fac a few weeks ago that a few of the SU Executives were able to attend. I was a delegate of the SU for the Vice President Search Thank You Reception party, which celebrated the hard work of the search committees that appointed a new Provost and VP Advancement. I also attended the ALES International Day which welcomed international students to our campus, and spoke of some of the services the SU provides that may be of interest to international students.

I had an interview with the Gateway equivalent at Ryerson University about what mental health services should ideally look like. Our General Manager and I met with the Director for the Peter Lougheed Leadership College to see what role the SU has in providing potential stretch experiences for PLLC students, while also refining their consultative framework with PLLC students until a representative association has been created. The SU Executive met with the Executive Director of the Alumni Association, and we may be working together on future renovations to the Powerplant. VP Kwan organized a great dinner between the SU Executive and the Council of Residence Associations. The SU Executive also had a meeting over dinner with StudentCare, who manages our health and dental plan.

Thanks so much for your time, and looking forward to the next report.

Hello Council!

GENDER OPTIONS ON APPLICATIONS

As I reported on in Question Period at the last meeting of Council, the Office of the Registrar will be using a third gender option on application forms for students planning on attending the University of Alberta in the new academic year. While this is only the first step in an expected series of changes to the way the Registrar tracks gender and gender identity with students through applications and BearTracks, it is important nonetheless. Media coverage is below:

GENDERED LANGUAGE MEETING

This week also happened to be my meeting with a group of University staff from across the institution around gendered language. Representatives from the Faculty of Arts, Office of Safe Disclosure and Human Rights, Student Conduct and Accountability, Office of the Provost, and Office of the Registrar were in attendance, and we discussed language in the Code of Student Behaviour, the University Calendar, and a style guide for the University with formal rules around inclusive language. Once the applicable committees decide if these language changes to the Code and Calendar are editorial or substantive, we will be well on the way to getting them approved for use.

HEALTH AND DENTAL PLAN CHANGE-OF-COVERAGE PERIOD

This week, the Health and Dental Plan Committee voted to extend the change-of-coverage period (frequently called the "opt out deadline") for our student health and dental plan. Previously, the deadline lined up with the add/drop deadline for classes (September 15 this year), but we have extended it to be the last Wednesday of September each year, to allow students more time in choosing how to use the plan or opt-out if they have alternative coverage, and make the date closer to when fees are due. Students who begin their studies in January will have until the last Wednesday in January to change their coverage.

DFU PLEBISCITES IN ELECTIONS

This year we will have the first Dedicated Fee Unit up for a plebiscite in the General Election, and by random assignment, it is The Gateway. Every five years, all DFUs must go through a renewal process by way of a non-binding plebiscite, to show Council that the service still has the confidence of the students to assess a fee on their behalf. As DFUs can only be amended or abolished by referendum or joint consent of Council and whichever Board oversees a particular DFU, after elections are over a motion will be brought to the floor with the recommendation of Finance Committee (the committee taking into account the results of the plebiscite). Either a motion will be made to continue assessing the fee, or a motion will be made to compel the service to a binding referendum in the next General Election.

VPOF RETREAT

I went down to Calgary last week for a two-day retreat with my fellow Vice Presidents Operations and Finance from MacEwan University and the University of Calgary. We spent time catching up, and also talking about different issues facing our unions this year. I learned some awesome things from touring Calgary's conference centre, and also got some valuable information about staff structures across the organizations.

In solidarity,

Committee Motion Tracking - By Committee

	2015-10/3c	PATRICK / CHRISTENSEN MOVE to approve all the points outlined in Slate First Principles, which are as follows <ul style="list-style-type: none"> ● Some programs have requirements that take students off campus for entire semesters at a time, and this can prove to be a substantial barrier to participation in student governance. ● When students are overly impeded from participating in governance because of their program, a lack of representation from that program is created. ● In order to best represent students, opportunities on Students Council must be available to as many students as possible. ● Elections could be structured to allow two individuals to run for a single position where they would hold the official title of the position one at a time, and switch the holder on a date defined before the election. ● Two individuals running or holding a position in such a manner will be referred to as a slate for the purpose of these principles, though a different term will be the official term used in bylaw. ● Slates will be tested in the coming year for students' council elections (not including executive elections), and may be subject to particular additional rules around elections and campaigning. ● The programs that allow their students to run in slates will be chosen based on how accessible being part of students council currently is for the students, and how effective slates would be in making it more accessible.
