SC 16-09.12

Dear Council,

It has been an immense honour to serve as your science councillor for the last four months.

However, I was fortunate to be accepted into the Class of 2020 BSc Pharmacy program commencing this Fall. I am, therefore, resigning from my position as Science Councillor effective Friday, September 2, 2016.

It has been a genuine pleasure working with all the members of Students' Council, and I will miss spending my Tuesday evenings with you all. I wish everyone continued success in all your future endeavours! Keep up the great work!

Thank-you for this great learning opportunity to develop myself as a better leader and better person.

Best regards,
Alex K

Report from Audit Committee

Last week Audit Committee approved the Native Studies Students' Association Faculty audit. We are expecting to be busy in the next couple of weeks as other audits become available.
