Statistics

The nomination deadline was extended until September 27, 2016 for those positions that had remained vacant after the close of day on September 26, 2016 as per Bylaw 2300 Section 9(1).

Closing Remarks

The CRO would like to congratulate those students who put their names forward for candidacy for seats on both Students' Council and GFC. This year's by-election saw 3 competitive races, a total of 14 positions were filled, leaving 15 positions vacant in both governing bodies.

The CRO would like to express thanks for the hard work of Whitematter for their help in administering the online voting system, and Jay Ward for his seemingly infinite wealth of knowledge regarding SU elections. The CRO would also like to extend thanks to the Discover Governance Office for their partnership, help, and advice with various Elections Office activities. Finally, the CRO appreciates the hard work of Jacob Rohloff, the Deputy Returning Officer at the Augustana Campus, for enforcing Students' Union Bylaws on behalf of the Students' Union Elections Office.

Congratulations to all candidates for their hard work!
