

Reusable Dish Program

ROJINE MCVEA

What is the Reusable Dish Program?

What is the Reusable Dish Program?

The reusable dish program is an initiative facilitated by Sustain SU to encourage waste diversion, and promote [Zero Waste culture](#).

The service [provides](#) University of Alberta Undergraduate and Graduate community members with dishes/cutlery for their events/meeting and [washes them for free](#). Transportation of dishes/cutlery are not included.

Why should we use the Reusable Dish Program?

Why use the Reusable Dish Program?

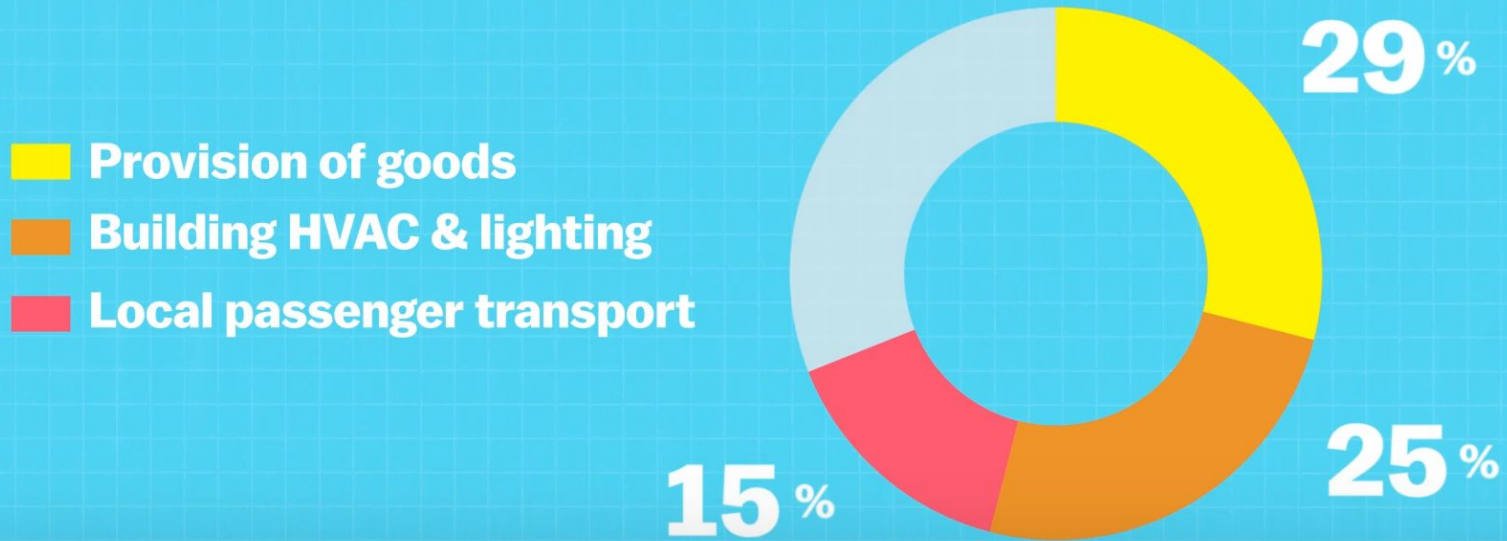

FINANCIAL: Eliminating single use disposable containers at Student Union Council meetings reduces costs associated with repetitive wasteful purchases.

SOCIAL: Supports Student Union organ: Sustain SU, promoting a stronger sense of unity between student union bodies, and promotes the use of reusable dishes in other student groups by example.

INSTITUTIONAL: Make a statement that the University of Alberta is committed to waste reduction, and sustainability in general by fostering a culture of Zero Waste on campus.

U.S. greenhouse gas emissions by system

U.S. Environmental Protection Agency, 2006

Emissions associated with the consumption and production of single use items in the United States, whose emissions are very similar to Canada and the U of A.

How to use the Reusable Dish Program

How to use the Reusable Dish Program

1. Place your order online **a week in advance.**
