

# INTERNATIONAL STUDENTS' ASSOCIATION

Issues & Challenges

# INTRODUCTION

- ▶ ISA was formed in 2013 with the intention of advocating for international students.
  - ▶ We have six executive members coming from diverse backgrounds.
  - ▶ Currently, we can reach over 300 international students through social media and email.
- 

# CHALLENGES

- Lack of representation for international students
  - Unpredictability of tuition fees
  - High expectation for international students
- 
- A decorative graphic consisting of several parallel white lines of varying lengths, slanted diagonally from the bottom-left towards the top-right, located in the lower right quadrant of the slide.

# CONCLUSION

- Involvement of International Students' in decision making process.
  - Clear tuition fee policies.
  - Proactive efforts to stop discriminatory policies.
