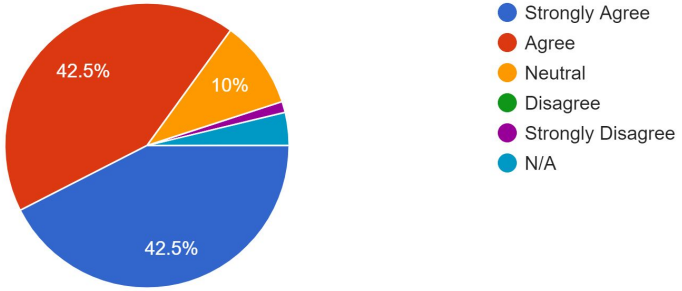
The problems

On-campus housing is **expensive & low-quality**

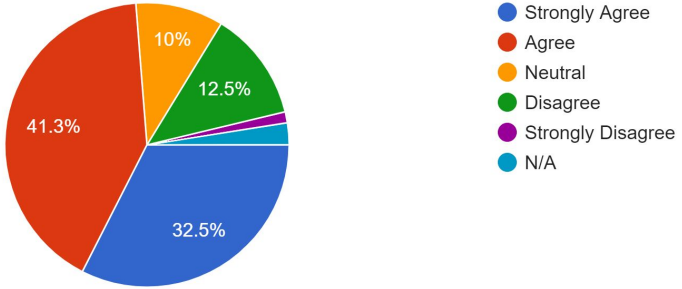
"I believe that on-campus residence is too expensive"

80 responses



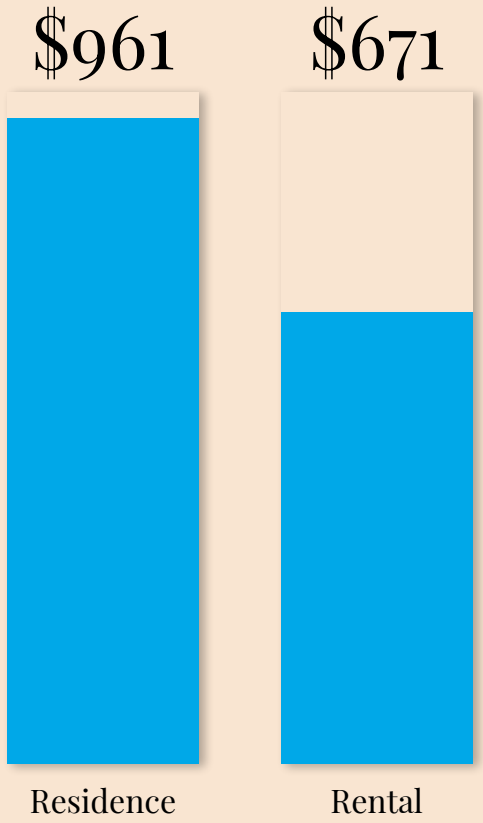
"I believe that living on-campus would force me to lower my living standards"

80 responses

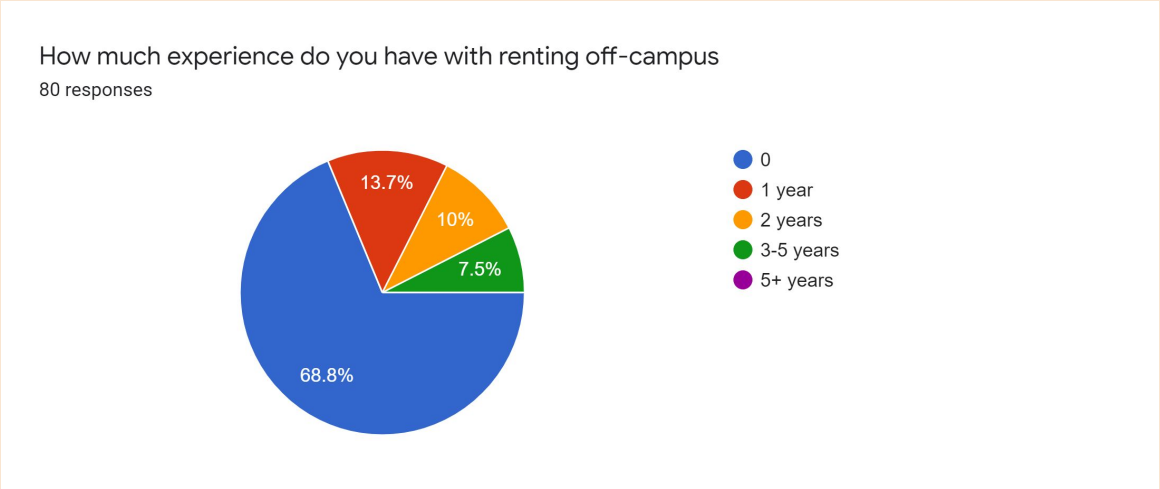


30% cheaper to live off-campus

$2,320 average savings



Lack of experience with rental process

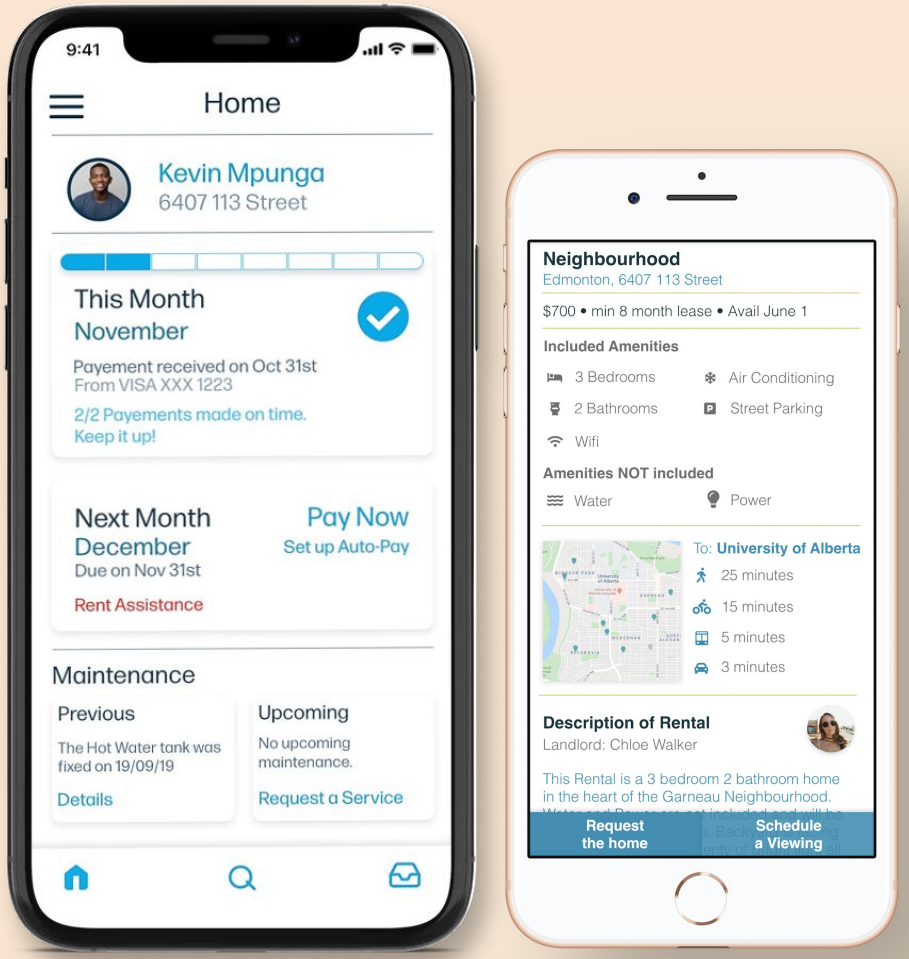


Rental process is **long** and **complicated**

Find roommates	Search and compare	Walkthroughs
Search for a house	More viewings	Move in
Confirm with roommates	Apply for the house	Collect rent from roommates
Try to schedule viewings	Print-sign-scan-send lease	One person pays
View the house	Collect deposit from roommates	Reaching hosts for repairs

The Solution

A platform that helps students through **every** step of the process.



Simpler and Better.

Intelligently sorted results suggest the best option for the student based on budget, commute time, and personal preferences.
