To: Students' Council

Re: Report to Council

Hey Council,

Before I proceed with my report, I would like to acknowledge that our university and our Students' Union are on Indigenous land. Specifically: Cree, Saulteaux, Metis, Blackfoot, and Nakota Siou.

They are faculty, staff, students, family, and friends, and they are still here. I acknowledge that we meet on treaty 6 territory. That treaty governs the relationship between first-nations and non-first nations citizens. I am thankful for this opportunity for us to meet on this land today. This statement will be included at the front of my report to council until either the time that my term ends, or Council moves to makes a similar statement available for public viewing.

It's good to be back in Edmonton!

I'm feeling well rested now that I'm back from vacation, and I'm looking forward to getting back into the grind of work and student politics.

I'm also excited for GovCamp this upcoming weekend! If you haven't had time to register, there might still be time to register with the Student Governance Office at sgo@su.ualberta.ca. Hope to see you there!

In Solidarity,

Brent Kelly
