Re: Report to Students' Council

Hello Council,

It has only been one short week since our last meeting and therefore, since my last report. Much of the last week has been used to setup important reoccurring meetings with different administrators and to have internal meetings with Discover Governance and the Undergraduate Governance and Academic Advocacy advisor, continuing the goal setting process. Here are a few other updates:

1. GovWeek Advisory Group

The members of GWAG have been selected and notified. We will have our first meeting as soon as possible to get the ball rolling on GovWeek planning. GovWeek will be from September 18-22.

2. GovCamp

GovCamp will be taking place from June 2-4 at Lister Hall. The most up-to-date schedule is available on the Discover Governance webpage under "GovCamp Resources". Feel free to share this link:

(<http://www.su.ualberta.ca/governance/discover/govcamp/>) with other councilors and Faculty Association representatives and encourage them to come.

3. Summer Office Hours

All of the Exec have selected their office hours. There has been a slight amendment in my hours – instead of Thursdays 4-5 I will be available Thursdays 3:30-4:30. This is just to ensure I am accessible as the main doors for the Students' Union office close at 4:30.

I hope you all have a great week!

Best regards,

Shane Scott
