**Re:** Vice President Operations & Finance 2021/22 Report #22

---

Dear Council,

Happy Reading Week! I hope you find some time to relax and recharge before the second half of the semester begins.

I'll be taking part in the upcoming Executive elections, so I'll be taking a leave of absence from my role from February 25th to March 10th. If you have any questions regarding our business or operations, you can reach out to [craig.turner@su.ualberta.ca](mailto:craig.turner@su.ualberta.ca). Any other questions can be directed to President Ley.

I want to give a massive shout-out to everyone who helped plan, organize, and showed up to the Provincial Budget March last week! The turnout was fantastic, and I'm positive that it sent a strong message.

Black History Month is almost over, but I wanted to thank everyone who has shared/engaged with our BHM social media content thus far. I appreciate it!

### **Bulk Foods**

The launch of Bulk Foods is edging closer and closer! All the equipment we need has now arrived, and we're in the process of setting things up in SUBmart. We're on track to launch in March, just as students return to campus.

### **CoFA Admin and Finance Committee**

At our last, CoFA admin and finance committee meeting, I asked the head of our Sponsorship and Fundraising department to give a presentation re: Sponsorship and Fundraising 101, which went over really well!

### **Art Committee**

It's been a while since I have you all an update on Art committee! We've been focusing on ways to get more student art in SUB. Currently, working alongside our staff, we're in the process of identifying spaces in SUB that student art and ways we can engage students and get them involved.

If you have any questions about anything in this report, please don't hesitate to reach out. I'm always down to grab a coffee and chat.

All the best,

Emily
