Re: Vice President Student Life 2020/21 Report #18

Hello council!

I hope the semester is going well! I hope you all are settling into the semester and are prioritizing your mental health! Reading week is coming up soon and you'll get a break!

Sexual Violence Prevention Coordinator

Fantastic news! The vote passed the Joint Oversight Student and University MNIF Committee passed! The rate for the MNIF increase has been set at \$1.50 per semester to pay the salary. This will be charged to all students and the MNIF is in Fall and Winter. This means students could pay a maximum \$3.00 a year. The next vote for this will be on Wednesday, February 10th at the Academic Planning Committee. I will update you all on how the vote goes!

Meeting with the Minister

Next Tuesday, Rowan, Joel and I will be attending a roundtable discussion with the minister and staff. I am going to discuss sexual violence and the importance of this to our students.

GFC Student Parent Policy

This policy began development precovid before my term and then was put on pause with covid. The University is starting work on this again! This is super exciting, I should have more of a substantial update in March.

Daycare Update

The negotiations are going well so far! I am hoping to have the deal finalized in the next two weeks. We are still working on trying to explore how to lower prices to keep the service affordables. I am really excited with how things are going so far and will keep you all updated! I am happy to answer any questions about the service!

U-Pass

A lot of my time has been planning the U-Pass campaign. I am really excited about the campaign but prepping is taking up a good chunk of time!

There's lots going on with only a few months! I'm looking forward to working with y'all this semester! If you ever need to discuss anything, I am always here to talk.

Cheers,

Katie Kidd
