Re: Vice-President (Student Life) 2019/20 Report # 1

Dear Council,

Welcome to my first executive report! Our executive team spent the last week at our transition retreat and I found it to be immensely helpful and impactful. I spent the weekend moving houses, and finally got some time to relax and unwind on Sunday night. I'm feeling very optimistic about the upcoming year and excited to start working on our goals and projects. I hope that this year will be an opportunity for us all to grow, share knowledge, and inspire positive change on our campus and in our community.

1. Student Group Committee

The Student Group Committee is composed of two members from Students' Council, the Vice-President (Student Life), Vice-President (Academic), and four students-at-large. The committee is responsible for the oversight of student groups, and may make determinations in regards to complaints against student groups and appeals by student groups to decisions made by Student Group Services. Today, the internal committee met to work to resolve some concerns with bylaw 5100 and the creation of this committee, and I'm excited for this committee to begin operating soon.

2. Personal Announcements

Vice-President Statt and I will be in Montreal near the end of the month for the Studentcare conference, where we will be learning about mental health and the Health and Dental Plan. If anyone has questions about Studentcare, I am happy to meet or chat over email after the conference.

3. Office Hours

I will hold my office hours from 12:00-1:00PM on Monday for the Spring and Summer months. During this time you are welcome to drop into my office in SUB 2-900 to chat. If this time does not work for you, you are welcome to schedule an appointment by emailing jared.larsen@su.ualberta.ca

4. Closing

Thank you very much for reading my report. I am looking forward to getting to know all of you, and I feel confident that we have a great year ahead of us. Feel free to contact me at any time, and I will be sure to get back to you within two business days. Finally, if you haven't seen Endgame yet, go see Endgame.

Cheers,

University of Alberta Students' Union Vice-President (Student Life)
