Re: Report to Students' Council

Council Report #20: Return to the Office and Off to CASA

Hello Council,

I hope you have been well. These past few weeks I had taken a leave of absence from my role as Vice-President (External) in order to run for the Board of Governors Representative Position. Having run a successful campaign, I am happy to have the chance to be one of two undergraduate students representing all of us on the Board of Governors over the next year.

Having left for three weeks there is not much to report, however I am currently in Wolfville, Nova Scotia for my last Canadian Alliance of Student Associations (CASA) conference of my term. This is what I will be touching on in this report.

Federal Advocacy

CASA AGM

Over this next week I will be with my fellow student leaders from across the country at the CASA Annual General Meeting (AGM) at Acadia University. Being the final conference of our executive terms, we will be focusing our time on transition strategies for our incoming executives. We will be spending the next few days discussing strategies to ensure a continued strength of the members on the Board, best case practices for our general membership, the creation of an alumni board, etc.

I will be sure to give council a full update of the AGM in my next report!

“You hold in your hands the future of the world.” - Raymond Poincare
