**KHINDA/CHAMPAGNE MOVE THAT**, upon the recommendation of policy committee, move that the Mandatory Non-Instructional Fee Policy be approved in first reading based on the following principles:

1. The University is a public institution and therefore should be accountable to the public and committed to high standard;
2. Services are essential to the student experience and students are willing to pay for services that benefit them;
3. MNIFs are unregulated by the Government of Alberta;
4. Existing MNIFs can change at the discretion of the University;
5. The cost of attaining a post-secondary education includes tuition, fees, the cost of educational materials, and living expenses;
6. MNIFs are above and beyond tuition, which is the sticker-price for post-secondary education;
7. A high and unpredictable cost of education is a barrier to some students;
8. The cost of education should be a predictable expense for students;
9. The cost of a post-secondary education should be affordable;
10. Attaining a post-secondary education should be accessible;
